Kaia, words cannot express how very proud we are to see this amazing woman you've become! Stay confident and know your worth, stay strong, be fearless, believe in yourself, discover your true passion, listen to your heart and take risks carefully, listen to your gut and proceed with caution, speak kindly, help others where you can, live, laugh, and love much, make every moment count, make a difference, never stop dreaming, and I hope you always chase the sunsets!! Always know that we are here for you, no matter what! We love you to the moon and back times infinity!!
-Love Momma

To my niece Kaia,
you have accomplished one hurdle in life and that's graduating from High School! So very proud of you my niece. There will be more hurdles in your adult life, set goals and a bucket-list in your journey in life and accomplish them for time is not on our side. Stay strong, be humble, and keep in touch with your family, friends, and people that mean the world to you. Love you and God Bless you to your new FREEDOM!!(Braveheart)
-Love Uncle Jesse

Kaia,
Nothing in life is by chance or coincidence babe. You are the creator of your own joy & happiness. Allow no one power of your journey, this is only yours to live! There may be times you will be afriad, but you will also be even more brave. Things won't be easy, stay strong and humble anyway. You will always have me to turn to. You are more than enough and I am so very proud of the smart, strong, beautiful spirit you're growing into! Love you more than all the pictures in all the yearbooks ever made!

Lana

My precious Lana-Poo,
It is simply not possible to be more proud of you than I am! You have accomplished much since you began your Vernon education in the fall of 2006, and I am sure you will shine even more brightly in your future endeavors. As Shakespeare's Polonius stated, "This above all: to thine own self be true." Also remember that you can do all things through Christ who strengthens you (Philippians 4:13). I love you so much more than I have words to express.

SALLY BROCK

You are special because you made them not only feel special
But know, without a shadow of a doubt, that they were special.
You made them certain that they were thinkers, doers, writiers, scientists, doctors, lawyers, activists, artists, scholars, fighters."
You showed them what "more" meant, and how sweet it could be.
You taught so many, the joys and trials life could bring, and more-you taught them how to navigate those joys and trials. You are more than a teacher, you are a friend, drill sergeant, mentor, confidant...
you are so much wrapped into one.
I hope you had fun, this place will miss you now that you are done.
